

Write the numbers before/after the numbers into the boxes.

1 ← → **46** →

2 ← **35** → →

3 ← → **52** →

Complete the missing “number” or “+” / “-” from the equation:

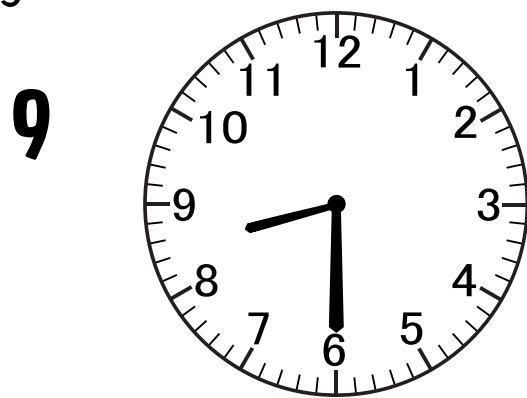

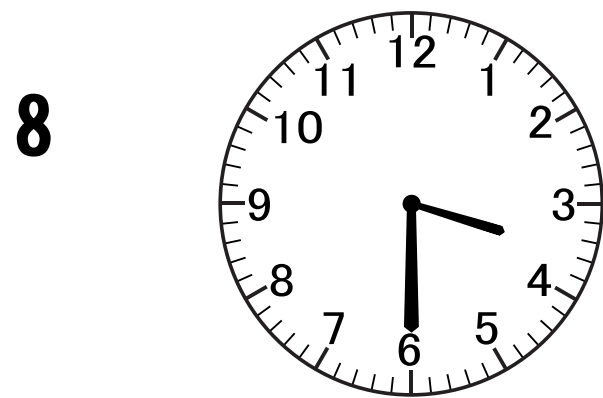

4 **35 - 19 =**

5 **20 13 = 33**

6 **18 + 23 - 9 =**

7 **20 - 8 - = 4**

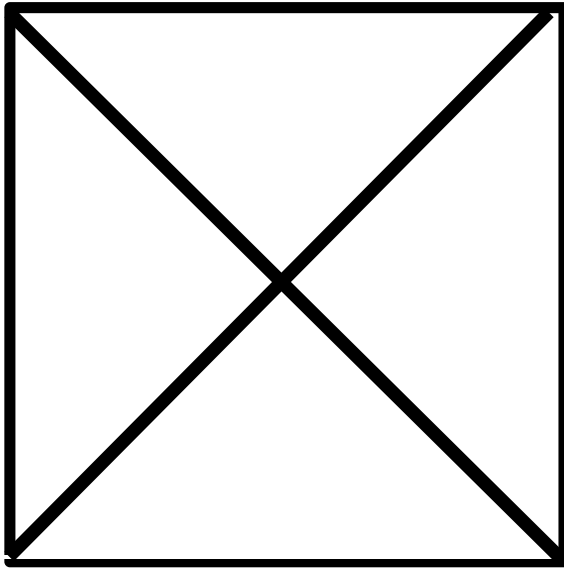

What's the time shown on the analog clocks:

How many triangles in below?

10

Find the rule and fill in the blanks

11

1 , 13 , 135 , , 13579

12

1 , 2 , 4 , 7 , , 16 , 22
